

The Go-Getters Muse

What Is It Called?

In the previous newsletter, a contest was proposed to select a name for our newsletter. You, the members, were encouraged to submit suggestions that would be voted upon.

The Executive presented the suggestions received and a vote was made at the end of February. The winning title was “The Go-Getter Muse”. This is a

combination of suggestions by Trudy Dumont and Jud Shearing. Thank you for your suggestions.

Therefore, on behalf of the Executive, I would like to welcome you to the first edition of:

“The Go-Getters Muse”.

If there is some content or information you wish to include, let your Executive

members know and they will try their best to include it.

This publication is intended to act as a means of communication between fellow members and a tool for the Executive to relay important information about the club.

Enjoy the material and share your thoughts with us.

International Speech and Evaluation Contest—Club Level

On March 15, our club held its International Speech and Evaluation Contest. The contest was split into two parts.

The first contest was the International Speech contest. The participants were Doug Thorp, Jud Shearing, Tannis Schwarz, and Trudy Dumont.

Congratulations to Trudy Dumont for coming in First Place. Runner-up

was Doug Thorp.

The second half was the Evaluation Contest. A special thank you to Ellen Arnestad from the Saitsayers Club for being our Test Speaker.

The participants were Brian Purcell and Jud Shearing.

Congratulations to Brian Purcell for

finishing in first place. Jud Shearing was the Runner-Up.

The evening was well attended with many guests from other clubs. The quality of speeches and evaluations was excellent. A great effort was put forward by all contestants.

Thank you to all the volunteers that assisted in making this contest a great success.

Clean Sweep at the Area 10 Contest

The Area 10, Division G International Speech and Evaluation Contest was held on March 22. Our club had the honour of hosting the event.

Brian Purcell represented our club in the Evaluation Contest against four other contestants.

Brian did a wonderful job on his evaluation and the results reflected this. Brian earned First Place Honours to represent Area 10 at the Division Contest.

Trudy Dumont was the representative for our club in the International Speech Contest. There were also four others compet-

ing for the title.

Trudy presented her very moving speech to the audience. Her attention to detail and technique were rewarded. Trudy won First Place. She will be representing Area 10 at the Division Contest.

As a side note, Lloyd Gwilliam, Area 10 Governor, presented Doug Thorp with a trophy for Area 10 President of the Year.

Congratulations to Brian, Trudy, and Doug.

Division G Contest Results

The Division G Contest was held on April 3 at the TransAlta Auditorium. Trudy Dumont and Brian Purcell were the Area 10 representatives.

The contest lasted for three hours and was divided into two sections. The first section was the Evaluation Contest. The test speaker presented her speech and then the contestants were escorted from the room to create their evaluations.

Brian did a wonderful job and finished in Second Place. Well Done Brian!

The second half of the contest was the International Speech Contest. Each speaker was allowed to remain in the room as the other contestants presented their speech.

Trudy had drawn the fifth speaking position. Her speech was the same one that allowed her to win the club level contest

and the Area 10 Contest. Trudy did not place but her presentation was a world-class effort.

Congratulations to both Brian and Trudy for representing our Club and Area at the Division Contest. You both did an excellent job showing the other clubs the caliber and quality of the membership of the Heritage Go-Getters.
